<https://cici26-pi-meeting.github.io/attend/conduct>

Charging Stations

Please ensure your device is fully charged before attending the conference, as the number of charging stations immediately outside the conference rooms is limited. Additional charging ports may be available in the breakout rooms. This will help you stay connected and make the most of your experience without interruptions.

Poster Sessions

Each active award CICI should submit a poster online describing their project through the [registration page](#) by May 1st. Each active award is strongly encouraged to bring and present a printed poster at the meeting.

You will be assigned to either Poster Session I or II on May 11. Poster stands will be set up at Centennial CD. If you indicated that you'll be bringing a poster for display, you will be assigned a poster stand. Please note, we do not have the ability to print posters on-site. Please plan to bring a poster or arrange for a local print shop to print it and have it ready in advance.

PIs will need to present or identify at least one person to present the poster during the programmed poster session. Please ensure that your poster is taken down at the conclusion of the session on May 11.

Photographer

Photos will be taken during part of the PI Meeting and meals. Select photos will be shared on the PI Meeting website after the event.
